

## **Listservs**

If you would like to join one or more of the listservs, please send an email to Wendy Cao at [caow@plsinfo.org](mailto:caow@plsinfo.org) and she will email you a listserv invitation. Be sure to specify in your email which listservs you would like to join.

**Please note:** You are able to **send** a message to a listserv that you are not subscribed to; it will first be sent to the Listserv Administrator for approval before it's sent out to the rest of the listserv. You **will not** receive any messages that are sent to a listserv unless you are subscribed to it.
