Dear Annette:

I am pleased to sign and return to you the attached AGREEMENT allowing the San Francisco Public Library to join the North Bay Cooperative Library System. I am especially pleased that this action is the results of a long period of planning between our two agencies. Equally, I hope that the San Francisco Public library will make a significant contribution to the North Bay Cooperative Library System and that we will be a full partner with the other libraries of the System.

In entering into this Agreement, I will serve as the official representative to the Board of Directors, and David Price, Assistant to the City Librarian, will serve as my alternate. I and David look forward to participating in the activities of the North Bay Cooperative Library System.

Sincerely,

Kenneth E. Dowlin

Annette
Dear Ms. Milliron,

I have received the invoice for the North Bay Cooperative Library System membership for the San Francisco Public Library for 2001/02. We are happy to pay this invoice and you will be receiving payment under separate cover.

I wanted to take this opportunity to let you know that the San Francisco Public Library will withdraw from membership in the North Bay Cooperative Library System as of the beginning of fiscal 2002/03. Given our cooperation with North Bay through the Golden Gateway Library network, I no longer believe that the separate membership for San Francisco Public Library in North Bay is necessary. I believe that this early notice will give you time to adjust the 2002/03 budget for impact on projected revenue. We have enjoyed our membership in North Bay and look forward to continued cooperation through the Golden Gateway Library Network.

Yours truly,

Susan Hildreth
