

Paso Robles Community Resources

Our communities are often rich in services we don't know exist, so we have to be proactive about asking for what we need and keep asking many different ways until we find someone who understands our need and can help us or refer us for help. If you ask for help and you don't get what you need, TRY AGAIN! No one is an all knowing "THEY", not even the computer. The internet is also a sea of amazing resources to aid you as you seek information to empower yourself. As you gather information to change your situation, be sure to share the resources you find with others who may also need this information. Withholding information is one of the greatest tragedies; it is free to share and has the power to change lives! We only become what we know exists! This is only a partial listing of resources out there. Also call 211 on your phone or visit <https://www.unitedwayslo.org/2-1-1/search-2-1-1-slo-county> for more resources.
