APPROVAL OF MINUTES OF 06/03/03: A Motion to approve of the Minutes of 09/04/03 as presented was made by Carol Starr and seconded by Sara Loyster. The Motion passed unanimously.

APPROVAL OF CONSENT CALENDAR: The Consent Calendar was moved for approval by Carol Starr and seconded by Sara Loyster. There being two Action Items on the Consent Calendar including an amendment to the NBCLS Deferred Compensation Plan and a resolution commending Connie Pearson upon her retirement, a vote was called. The Motion carried unanimously.

CORRESPONDENCE: Annette Milliron DeBacker provided the quarterly report from the Treasurer.

NEXT MEETING: Ms. Milliron reported that Susan Gilroy, Travis AFB Librarian, asked if the February 5, 2004 meeting scheduled for Fairfield could be re-scheduled to another date. Ms. Gilroy would like to attend the meeting and bring several of her staff. However, a major automation upgrade is scheduled for the library that week. Angie Brunton suggested that the February meeting be scheduled for Napa Valley College Upper Campus in St. Helena. Then the June meeting could be scheduled for Fairfield. Ms. Milliron will check on the availability of the meeting space in each location and will schedule the meetings accordingly.

FY 2002/03 AUDIT: Ms. Milliron explained that the auditor, Larry Johnson, recommended a resolution to clean up an over-encumbrance situation with the reserve fund. Over the years when the NBCLS auditor is recommending one action based on his audit. He tracks all of the resolutions that have financial impact. Over the years \$143,998 of the reserve funds have been authorized for expenditure, but haven't been expended. This happens because the County Auditor's office will not accept a resolution with a "not to exceed amount in a resolution. An actual dollar figure is required. Most of the time we don't expend all the money that is authorized in the resolution. We need to clear \$143,998 from being reserved in eyes of the NBCLS auditor. Approval of the resolution will remove the commitments that have been made including a \$10,000 commitment for membership in Califa. We can approve the purchase of Califa membership at a future date when Califa is ready to provide services. Angie Brunton moved to authorizing a reduction of fund commitments for FY 2002/03 in the amount of \$143, 998 in order the release over committed funds and to adjust the prior deficit to zero. Seconded by Nancy Sieck. Motion passed unanimously.

Motion to accept the FY 2002/03 audit as presented made by Carol Starr. Seconded by Nancy Sieck. Motion passed unanimously.

CLOSED SESSION: The closed session convened at 10:50 AM.

OPEN SESSION RECONVENED: Tom Trice called the meeting back into open session at 11:30AM. He reported that the Board directed Ms. Milliron and Larry Hlavsa to meet with SEIU representatives as soon as possible to discuss the revised proposals.

CALFIA: The Bylaws for Califa were reviewed. Several Board members commented on the revision that schedules elections from the field for all but three positions on the Board. All members agreed that it is an improvement. The dues structure was also discussed. Consensus was that there may need to be a scale more than just the two levels of dues. Most members felt that larger insititutions could better afford a higher membership fee than \$500 better than school and very small libraries can pay the lower rate of \$250.

Membership for all NBCLS will be purchased in the Spring. Charter members will have a 16 month

membership that ends on June 30, 2005.

BUDGET 2003/04

The Budget was reviewed by the Steering Committee. They did not recommend its adoption to the Board. The negotiation of the SEIU contract needs to be completed before the budget can be adjusted.

ADMINISTRATOR'S  
REPORT

Reviewed the document that documents the fiscal health of the CLSA System and LOC Networks. She also reminded everyone that although the newly approved TBR rates are very high, the reimbursement will be paid at a rate of 60% of the approved rate because the pool of funds available hasn't been increased. A fifth payment will be made if there are any surplus funds.

The Rural Initiative is looking to place video conferencing equipment. The equipment is available and installation is free, but there is a cost for the ISDN line. Ms. Milliron will send the information out on the Board of Director Listserv and to the technical support staff of the public libraries.

Ms. Milliron asked if there was any interest in NBCLS developing a program of on call specialists such as catalogers. Recently a member library asked for a recommendation for an original cataloger. Ms. Brunton suggested checking with Certified Employment Group for library staffing. There wasn't any great sentiment to develop a program.
