I. INTRODUCTION

A. Purpose

The NorthNet Library System (NLS), hereafter referred to as NorthNet, is seeking proposals from qualified contractors for administrative and fiscal services. Proposals will be judged on the ability to maintain service standards, staff qualifications, costs, and contracting experience. All responses should address experience in delivering the service as well as how the service will be delivered. NorthNet reserves the right to accept or reject all or part of any proposals.

B. Submission of responses

Prospective contractors should submit proposals by 4:00 p.m., Friday, February 4, 2022, to:

NorthNet Library System
Attn: Suzanne Olawski, Chair
Solano County Library

Fairfield, CA 94533
Phone: 707-784-1500
E-mail: seolawski@solanocounty.com

Proposals may be hand-delivered, mailed, or sent as an e-mail attachment in MS Word or Adobe pdf format. The responsibility for timely delivery is wholly on the sender.

II. BACKGROUND

The NorthNet Library System consists of 40 public library members and two affiliated academic and institutional libraries. This makes it the largest cooperative library system in the State of California. A complete list of members can be found here: http://northnetlibs.org/about-nls/council-member-roster/. Prior to the formation of NorthNet, all member libraries belonged to one of three smaller systems: North Bay Cooperative Library System, Mountain Valley Library System, and North State Cooperative Library System. These “legacy” systems merged to form NorthNet Library System via a Joint Powers Agreement (JPA) in 2009 and still meet occasionally. Previously, these systems had CalPERS employees (none of them have any current employees), and the systems each have CalPERS obligations.
Member libraries participate fully in all aspects of NorthNet services and programs. NorthNet policies and financial matters are controlled by an Administrative Council consisting of the director (or delegated representative) of each member library. These directors govern NorthNet, authorized by the JPA. The Executive Committee is responsible for policy and oversight between meetings of the Administrative Council.

The Pacific Library Partnership (PLP) currently serves as the NorthNet fiscal and administrative agent, and the terms of the contract will expire June 30, 2022. There are no dedicated staff members employed by NorthNet.

The contractor will report directly to the position of Chair of the NorthNet Administrative Council.

NorthNet services and programs are funded from several sources, including: State funds authorized by the California Library Services Act (CLSA), member fees from NorthNet, fees for delivery services or other contracts performed for member and non-member libraries, and through LSTA grants for programs. Total revenue expected in FY 2021/2022 is approximately $1,460,000. The NorthNet Administrative Council approved dues rate increase(s) to match CPI annually.
