   A. Update from the Strategic Priorities Ad Hoc Committee
      Frost reviewed the memo submitted by the Ad Hoc Committee detailing updates on the status of actions taken on Priorities.

      1) Disaster Preparedness – No meeting dates have been set yet with Legacy System Chairs who will take the lead on this task. No meeting with the Legacy System Chairs has yet been scheduled.

      2) Shared E-Resources – The Ad Hoc Committee recommended that the NLS Executive Committee take the lead on this Priority. Platt acknowledged that an update would be made later in this meeting.

      3) Capacity Building – The Ad Hoc Committee recommended that the Legacy Chairs be assigned this Priority. No meeting with the Legacy System Chairs has yet been scheduled.

      4) Resource Sharing – This is an on-going Priority and to be assigned to the Library-to-Go Committee.

      The Ad Hoc Committee also recommended that their Committee be disbanded at this time as all tasks had been assigned.

      Discussion ensued regarding whether outreach had yet been made to Legacy Chairs to set up meetings. Cooper offered to contact Ad Hoc Committee member, Perry, to inquire and to report back to Halstead. Halstead will send communication to Chairs if no contact to Chairs has yet been made. Communication from Halstead will detail the Strategic Priority tasks assigned to the Systems by the Ad Hoc Committee.

   Discussion ensued regarding whether outreach had yet been made to Legacy Chairs to set up meetings. Cooper offered to contact Ad Hoc Committee member, Perry, to inquire and to report back to Halstead. Halstead will send communication to Chairs if no contact to Chairs has yet been made. All agreed to disband the Ad Hoc Committee at this time.

B. **Library-to-Go Update**

Platt reported on activity status for Library-to-Go with following statistics as of July 1, 2023 to September 19, 2023:

- Checkouts = 325,851 (up from 287k same period last year)
- Unique users = 40,017 (up from 32k same period last year)
- Holds = 150,086

The $127,557 budget is expended to 37% for the first quarter.

RLA sharing as of 8/31/23: 8,590

Halstead asked about the other RLA Systems and any concerns with LTG being a net borrower. Platt responded that no concerns have been expressed by either of the other two systems.

Platt reported that another resource sharing survey will be issued to encourage more responses. The first survey conducted received only 11 responses, but from that initial response, 10 of the 11 reported that they do share.

5. **New Business**

A. **Appointment of new Executive Committee Member, Bryce Lovell, and Nomination of new Executive Committee member to replace Deborah Fader Samson**

Halstead recommended approval of the appointment of Bryce Lovell, El Dorado County, to replace Narinder Sufi.

**Motion to approve the appointment of Bryce Lovell to the Executive Committee.**

Halstead moved; Baker seconded. Vote taken by roll call, all votes in favor, motion passed unanimously.

Halstead asked for nominations to replace Samson. Discussion regarding representation from most rural libraries would be valuable to this Committee. Halstead will reach out to Lassen and Shasta to inquire about their interest in joining the Executive Committee.

B. **NLS Book Club-in-a Box Update**

Brinkley presented background and update on NLS Book Club-in-a-Box project managed by the Butte County Library. Butte County has agreed to continue administering this project. No funds were requested for FY 2023-24, but it has been two years since the collection was refreshed. Considerable growth in circulation was tracked since the refresh in FY 2021-22 when NLS approved CLSA funds to support this project.

Discussion ensued regarding continued support and how participating libraries might allocate individual CLSA funds from their annual Claim Form to this project.
Baker asked if donated book sets would be of interest to adding to this collection.

Frost offered suggestions as to how the Executive Committee could support this project including adding a line item as a modification of the current FY 2023-24 CLSA Claim Form or approving the use of NLS Reserve funds from the FY 2023-24 budget.

Discussion regarding continued support to this project and contact with participating libraries. Platt offered to work with Butte County Library to contact participating libraries regarding individual support to this project. Platt also noted that he was open to allocating $5,000 of NLS reserve funds to refresh the collection.

Yon reported that NLS currently has $1.2 million in reserve funds and noted that these are unrestricted funds.

Motion to allocate up to $5,000 from the NLS Reserve Funds to Butte County Library to refresh the collection of Book Club-in-a-Box sets for NLS libraries. Halstead moved; Baker seconded. Vote taken by roll call, all votes in favor, motion passed unanimously.

Platt will follow-up with a Book Club status report at the May 2024 Executive Committee meeting.

C. Discussion of Finances from NLS Administrative Council Meeting of June 28, 2023

Frost reviewed the memo outlining NLS finance discussion points from the Annual Administrative Council meeting, noting that the comments indicate that there is a lack of understanding about the NLS budget, and that more education may be needed.

Regarding the comment from the memo about creating a Finance Committee, Frost noted that the NLS Executive Committee acts as a “Finance Committee” to approve all budget items and that NLS has not had a standing Finance Committee for several years.

Halstead suggested creating an Ad Hoc Committee for reviewing NLS finances and to develop a formal document for all NLS directors that would explain points in the memo and could be discussed at the Administrative Council meeting.

Discussion of impact and trade-offs of adjusting contract payment terms to accommodate NLS cash flow. NLS is dependent on release of CLSA funds from the CA State Library and can run 6-7 months into the fiscal year while contracts are renewed at the start of new fiscal years. Yon reported that 70% of the NLS Fund Balance is used in the “dry period” before CLSA funds are received. An adjustment to the timing of membership dues paid to NLS could reduce that variable, but some libraries do not pay by the due date. The Fund Balance also allows for any change to CLSA as a contingency should CLSA funds be reduced.
Discussion and agreement that a Fund Balance policy is not needed, just an understanding of the definition and use.

Cooper stated that it would be beneficial to know and understand the terminology and the uses of Fund Balance, Contingency Funds and Operating Reserves; how they are used, how they are created, etc.

Baker shared her understanding of these terms.

Olawski suggested creating an Ad Hoc Committee tasked to develop a Budget Definitions Tutorial for new and existing directors with examples of restricted, unrestricted, required balances, etc.

Halstead agreed and stated that if the Ad Hoc Committee determined that a new policy be developed, they could make that recommendation for review by the Executive Committee.

Baker and Lovell volunteered as the Ad Hoc Committee members and to work with Frost and Yon to develop a formal document on NLS Finance as directed by the Executive Committee.

D. CSU Chico University Library Membership status with NSCLS/NLS
Frost presented the memo regarding the membership status of CSU Chico University Library and reviewed their status of non-payment on dues to NLS and their notice to request withdrawal from NorthNet. Frost reported that communications were ongoing with the University Library with instructions as to request of an official withdrawal, but to date no response has been received. If no response is received by the date of NSCLS Annual Meeting in Spring 2024, NSCSL will recommend the termination of their membership. With termination of NSCLS membership, they will also be terminated from NLS membership.

Discussion regarding what fees might be required including any CalPERS obligations to reinstate membership if this member or any other member lapsed in membership dues with no formal withdraw notification.

E. Finance
1) Review and Approval of CLSA 2022-23 Annual Report
Frost presented the NLS CLSA FY 2022-23 Annual Report.

Motion to accept the report as presented. Platt moved; Halstead seconded. Vote taken by roll call, all votes in favor, motion passed unanimously.

2) Review and Approval of CLSA 2022-23 System Expenditure Report
Frost presented the NLS CLSA FY 2022-23 System Expenditure Report.
Motion to accept the report as presented. Halstead moved; Cooper seconded. Vote taken by roll call, all votes in favor, motion passed unanimously.

3) Review and Approval of CLSA 2023-24 System Detailed Budget

Frost presented the NLS CLSA 2023-24 System Detailed Budget. Frost noted that the Plan of Service with a general budget was approved at the Annual Administrative Council Meeting, June 28, 2023 and this budget is the same as approved with detail provided.

Motion to accept the System Detailed Budget as presented. Cooper moved; Halstead seconded. Vote taken by roll call, all votes in favor, motion passed unanimously.

6. Agenda Building for Mid-Year Administrative Council Meeting, January 25, 2024

Discussion of topics for professional development or training session. Frost noted that Peter Coyl (Sacramento Public Library) was speaking on Intellectual Freedom for ALA and the Georgia State Library and NLS might look inward for speaker possibilities.

Halstead noted that he was interested in topics including Artificial Intelligence (AI), Responding to Hate & Policy Enforcement, and Book Banning.

Platt suggested a “state of the state” topic and suggested looking to Every Library for a speaker.

Cooper suggested topics covering hiring, recruitment, attracting and retaining quality staff.

Discussion of a survey to elicit input from NLS members for additional topics. Halstead will create and distribute a survey to obtain feedback for review.

Lovell suggested including time for a Round Table session on the Agenda.

7. System Chair Report

No report.

8. Announcements

Durr had to leave before this item.

Halstead reported that Napa was considering for the first time starting a Lunch at the Library program and asked if anyone had experience. Lovell offered to send Halstead contacts from Sacramento Public Library who have experience working on this project.

9. Meeting adjourned at 1:00 p.m.
November 6, 2023

Re: Strategic Priorities progress

Nick Wilczek, Crystal Duran, and I met on Friday November 3rd to review the recommendations of the Ad-Hoc committee that the Chairs of the three legacy systems lead two of the NLS Strategic priorities: (1) Disaster Preparedness and Response and (2) Capacity Building for Staff.

One factor that came up in the conversation is that all three legacy systems only meet once a year to discuss and review their CalPERS obligation. Given this frequency and the purpose for which they meet, we determined that the legacy systems are not the best vehicle for the library systems to work on these priorities.

Given the role the legacy systems currently have with their members, we discussed a path forward for both priorities:

1) Disaster Preparedness and Response

   In the opinion of the three Chairs, this priority should remain at the NLS Admin body (i.e., requesting membership to be active contributors to the Recovery Together website, or hosting potential training opportunities for the NLS membership). This could remain on the EC agenda to ensure it remains visible and communicated back out to the NLS membership with any requests for support, or resources.

2) Capacity Building for Staff

   In the opinion of the three Chairs, this priority should be left to the individual library system level to implement, with a reporting mechanism back up to the NLS body. For example, NLS already provides staff training funds but does not collect or record information of how the different library system use it. Since most staff training needs can only be determined at the local level, the libraries can reference the subset of priorities to ensure they are leveraging the funds in line with NLS expectations.
NorthNet Library System Revised Strategic Priorities and Activities for FY 2023-24

The NLS Administrative Council approved the Strategic Priorities and Values at the January 2023 Council meeting. An Ad Hoc Committee revised the Priorities and identified measurable goals and timelines to track progress. The revisions below were approved by the NLS Administrative Council at the June 2023 meeting.

**Revised Tier 1 Priorities:**
1. **Disaster Preparedness and Response**
   Assigned to: Chairs of the legacy systems: MVLS, NBLCS, and NSCLS. These legacy system Chairs would form working groups to identify measurable goals and timelines for their assignment and report back to the NLS Strategic Priorities Ad Hoc Committee or the Executive Committee.

2. **Future of Shared eResources**
   Assigned to: NLS Executive Committee. The Committee can track this as they represent the NLS body and are the main contact between NLS and the State Library.

3. **Capacity Building for Staff - Our Most Valued Asset**
   Assigned to: Chairs of the legacy systems: MVLS, NBLCS, and NSCLS. Once assigned, these legacy system Chairs would form working groups to identify measurable goals and timelines for their assignment and report back to the NLS Strategic Priorities Ad Hoc Committee or the Executive Committee.

   This revised Priority will also encompass elements of Equity, Diversity and inclusion (EDI). NorthNet membership in GARE was originally recommended by the Ad Hoc Committee. Discussion with the Executive Committee at the May 2023 meeting determined that GARE is better suited for city and county use. NLS members are encouraged to check with their local jurisdictions to determine if GARE membership is offered and how they can participate. Additionally, the expectation from GARE is that membership requires a working EDI committee be formed by their members and remain active in GARE. NLS is not currently prepared to meet this requirement. The Executive Committee unanimously redirected the Ad Hoc to, “Broaden detail on this item to reflect an EDI focus without specifying NLS membership in GARE and identify EDI resources and membership and/or participation in EDI organizations.”

4. **Shared Collection Management and Resource Sharing**
   Assigned to: Library-to-Go Committee and the collection development librarians working in that committee. This group can develop goals and timelines. They may consider first establishing a list of all the resources we currently share and defining a “minimum” sharing guideline for library systems.
To: NLS Executive Committee  
From: Ad Hoc Committee on Budget Definitions  
Subject: Development of Budget Definitions and Associated Discussion  
Date: December 12, 2023

At the September 19, 2023 NLS Executive Committee meeting, the Committee reviewed the discussion at the June 28, 2023 NLS Administrative Council meeting about NLS finance definitions and practices. It was agreed that an Ad Hoc Committee comprised of Jennifer Baker (Benicia), Bryce Lovell (El Dorado) and Carol Frost (NLS Administrator) would develop a list of finance definitions which NLS uses, as well as consider any other considerations.

The Ad Hoc Committee identified key budget components and definitions for each component. The discussion also raised the following thoughts:

1. There is no current Fund Balance policy. Approximately 70% of it is used to cover costs until CLSA funds are received. Should NLS consider what percentage of the Fund Balance is that of the Operating Budget? If it is consistently larger than the Operating Budget, would there be an opportunity to use the Fund Balance to cover other expenses or allocate a portion of it?
2. To be more transparent regarding NLS finances and funding, NLS may consider holding an open Zoom call twice a year where the NLS Chair, along with the administrator, can answer questions and/or review the definitions.
3. NLS may consider establishing a ‘buddy system’ for new and interim directors with more experienced NLS directors to assist with budgeting questions.

Recommendation

It is recommended that the NLS Executive Committee review the draft definitions, and that these be presented to the NLS Administrative Council at the mid-year meeting in January 2024 for adoption.
NorthNet Library System (NLS) Finance Overview

NLS is funded through a combination of California Library Services Act (CLSA) funds, State Library grant indirect revenue, member dues and administrative fees.

NLS Budget – The NLS budget is comprised of funds from member dues, local contributions for additional services, administrative fees for additional services, and California Library Services Act (CLSA) funds. The NorthNet budget is separate from the three ‘legacy systems’ which include Mountain Valley Library System (MVLS), North Bay Cooperative Library System (NBCLS), and North State Cooperative Library System (NSCLS). It is reviewed by the Executive Committee and adopted by the Administrative Council at the June meeting.

NLS Fund Balance – These funds are used throughout the year that carry NLS for the first 6 months of each year until the State Library releases the California State Library Services Act funds. 70% of the NLS Fund Balance is used for the “dry period” from July to December of each fiscal year before CLSA funds are received. The Fund Balance also serves as a contingency should CLSA funds be reduced. The funds are unrestricted and can be used in any way the Administrative Council chooses. Any unexpended operating funds not expended at the end of a fiscal year will fall to the Fund Balance. Once CLSA funds are received, the Fund Balance is replenished of used funds during the dry period.

NLS Operating Reserves Fund – This fund is intended to create organizational stability during times of impermanent fiscal instability or by absorbing unexpected costs. The target minimum fund amount for the NLS Operating Reserves Fund is equal to three months of the operating costs. The NorthNet Operating Reserves Fund Policy states that it “is intended to provide an internal source of funds for situations such as sudden increase in expenses, one-time unbudgeted expenses, unanticipated loss in funding, or uninsured losses.” The Operating Reserve Funds originated from the Fund Balance in accordance with NLS Administrative Council adoption of the Operating Reserve Policy at the January 2018 meeting.

Administrative Fees for Services – NLS has adopted an Administrative Fee Schedule for group contracts, and for special contracts for local libraries. The Fee Schedule includes a 10% administrative fee for contracts less than $100,000, and a 5% administrative fee for contracts more than $100,000. The fees offset the staff time to perform the work, and the funds are part of the Operating Budget. Examples of contracts are Link+, couriers, OverDrive, and Chilton for some libraries.

Restricted funds – Those funds which have specific restrictions. The California Library Services Act (CLSA) funds are restricted by law to be used for specific activities related to resource sharing, which are approved by the California State Library and the California Library Services Board. Other examples of restricted funds may include the Operating Reserves Fund, or funds allocated to a specific line item in the budget.

Unrestricted funds – Those funds which are not allocated to a specific item in the budget, or which have no other restrictions on them. This may also include funds in the Fund Balance.

Contingency Reserve Fund – At times, NLS may designate contingency funds should there be an anticipated or potential reduction in funds. An example of this is if the economic forecast shows a potential deficit in the State Budget which may result in a lower CLSA allocation to NLS, NLS may choose to set aside some CLSA funds for future purchases, to cover the potential reduction of funds in the forthcoming year.
**Legacy System Budgets** – Before NorthNet was formed, each of the three ‘legacy’ systems had their own staff and budgets. None of the systems have any current staff, but each of the three systems has current and future CalPERS obligations for the former employees. The three legacy systems include Mountain Valley Library System (MVLS), North Bay Cooperative Library System (NBCLS) and North State Cooperative Library System (NSCLS). Each of the legacy systems are responsible for their CalPERS liabilities which are addressed in their individual legacy system budgets.

**LSTA Funds** – Occasionally, NLS may choose to apply for a Library Services and Technology Act (LSTA) grant from the California State Library. The grants funds will be to support a specific initiative, with member participation.

**CLSA Funds** – The California Library Services Act (CLSA) is defined in Title 5 of the California Code of Regulations, sections 20100 – 20265. The distribution and oversight of the funds is done by the California Library Services Board (CLSB). Only public libraries belonging to a cooperative may receive these restricted CLSA funds. Per the CLSB, CLSA funds are divided into System Administration (20%) and Baseline for Communications and Delivery (C&D) (80%). Each of the nine cooperatives throughout the State determines how they will allocate their funds within the confines of the California Code. The CLSB typically awards the amounts annually in October, and systems receive their funds typically in January. A system has three years to expend the funds.

**Tutoring Project – Ongoing**

Every internet connected Californian is now able to access live, 24/7 online tutoring and homework help in all K-12 subjects. The passing of AB 128 by the California State Legislature enabled the California State Library to partner with the Pacific Library Partnership in bringing this service to all CA Public Libraries. All California public libraries are able to offer Brainfuse’s online tutoring and homework assistance service, HelpNow, to their users for two years at no cost. Every California student, with or without a library card, has access to 24/7 online tutoring in core K-12 subjects. Spanish language tutors will be available as well as tutors fluent in Mandarin, Cantonese, Vietnamese, and Tagalog.

See here for Full details on the Statewide tutoring project. State of CA funded.

Building Equity-Based Summers Learning Series
Winter/Spring Building Equity Based Summers (BEBS) Learning Sessions are starting in January. Learning sessions empower libraries to create summer services that are built on a foundation of equity and designed with the community so that systemically marginalized groups engage in library services in new ways. Each session will be co-facilitated by library staff from across the state along with Equity Consultant, LaKesha Kimbrough and Learning Consultant, Linda W. Braun.

The next learning series will be offered Winter/Spring 2024, every other Wednesday, 2-4PM, January 17th - April 24th. Space is limited. If you are interested in taking part in these sessions please submit this interest form by Thursday, December 14th, 2023.

Who Should Attend?
We encourage libraries to send staff members with diverse levels of library experience, varied life experiences, and different positions of authority or non-authority. It is also beneficial to send staff members with different areas of expertise. Libraries that commit to sending pairs of staff members will receive preference during the selection process.
